NOTES FOR SESSION II – Monday, November 7, 2016 through Sunday, January 29, 2017

▶ **PERFORMANCE COSTUMES** – we have now measured all students in the studio. We began this effort in the beginning of October and appreciate the cooperation of the students and the instructors in making this happen. We again, will be using **Costume Manager** and you, the parent, will be responsible for ordering your dancers costume(s), **online, with credit card**. In the first week of November, we will be giving your dancer their specific details (we will have their measurements on this sheet) and instructions for each class. It will then be up to the parent to place the order **prior** to December 1, 2016. There is a “late fee” for each week after that if you delay ordering. Even though we have taken your dancer’s measurements, it’s possible you may question it. If so, you should re-measure – CHEST, WAIST, HIPS, and GIRTH. If you’re not sure how to do the measuring, please call the studio. Also, when online ordering, you may be unsure of what size to order – **Costume Manager** will be there to assist you. The anticipated cost of costumes this year will actually be in a range of between \$75 and \$95. The costumes will be delivered to us (the studio). We in turn, as we have always done in the past, will hand them out to the students for fitting purposes.
