### **MISSION STATEMENT**

The Dance Workshop's purpose is to promote the art of dance, and to further the education of our students. It will seek to advance the art form of dance by addressing the needs, concerns, and interests of the community and the dance members. This company gives members, as well as the community, the opportunity to experience new aspects of the art of dance. Through promoting this art form, the members will grow in performance skills, individual talent as a dancer, and overall dance education.

### **MEMBERSHIP**

Accepting membership into The Dance Workshop Ensemble is an honor as well as a commitment that is NOT to be taken lightly. The Dance Workshop Ensemble will attempt to perform throughout the year at retirement homes, festivals, schools, and the yearly performance. Its purpose is non-competitive. Its intent is to "give back" to our community with its talent.

### **MEMBER INFORMATION**

At the first Ensemble Meeting, members receive a packet containing the Rehearsal Schedule, Company Members Birthdays, and Company Members addresses and phone numbers. This information will be meant for Company Members only and is not to be shared.
