- Pictures are taken at The Dance Workshop. Review the schedule above.
Find your class and the time your class photo will be taken. As you see, there are 3 or 4 classes scheduled to be taken at the same time, as there will be three photographers on duty. Please arrive at the studio at least **ten minutes before** your scheduled time in order to check in. ***IF you/your student WILL NOT be coming, please let us know BEFORE picture day!***
- For pictures, students must come fully dressed in costume and make up (blush, lipstick, etc.), correct tights, nylons, or socks, and the correct shoe color. We will also use this time for any final corrections/adjustments for headpieces, etc.
Buns have been mandated for most of the classes for the show. **However, you do not need to have your hair in a bun for pictures.**
For those who are in more than one class, please bring your additional costumes, shoes, etc, with you. We will be using the Warm-Up Room as an additional changing room and storage area for you to use that day.
(This is the perfect time for you to put your name in your costume(s) and shoe(s) in preparation for rehearsal & the show!)
- Parents **will not be allowed** in the studio(s) where the photo session is taking place. If there are any problems with the "little ones," we'll come and find you.
- Picture Ordering Envelopes will be distributed to students prior to picture day. If the student is going to order pictures from each class they are in, **they must have an order envelope** for each class must be individually paid for on Picture Day.
Make sure you complete the information required.
All Picture Order payments are made payable to STUDIO 95 and are paid for on picture day. Credit Cards accepted.
(If you do not wish to order pictures for each class, please come for the group picture(s) so we have complete classes represented.)
- Your pictures will be mailed to your home.
All Picture Order payments are made payable to STUDIO 95 and are paid for on picture day.
